

Replacement Parts

Listed below are the replacement parts available through the MasterGuard Home Office order department. All you need to do is write a note describing which items you need, the model number of your heat detector and enclose a check payable to MasterGuard. Please be sure to include a daytime phone number in case there are questions with your order. Your items will be shipped to your address via U.S. Mail (all prices include shipping).

Heat Detector Bracket (MG-50 or QR-50)	\$3.50
Heat Detector Manual (MG-50 or QR-50)	\$2.00
Smoke Detector Bracket	\$3.50
Smoke or C.O. Detector Manual	\$1.00
Heat Detector Power Key (MG-50 or QR-50)	\$1.50
Heat Detector Sensors *	\$4.00 Each
Heat Detector Sensors *	\$9.00 Box of 3

****For Sensor orders:***

Heat detector sensors come in 3 temperature settings. Please indicate in your note which temperature rating you wish to order and the model number of your heat detector. You can mix the box of 3 any way you wish. Suggested temperatures are:

117 Degree – Living room, hallway, or bedroom

136 Degree – Kitchen, laundry room, or area with fireplace or wood burning stove

175 Degree – Basement, attics, water heater area, or furnace area

Please mail your order and payment to:
